

CASE READY with Nature by Rottneros® trays

Nature by Rottneros® trays provide a sustainable, high-performance alternative to traditional plastic trays, crafted from barrier-lined pure fibers.

Driven by a commitment to innovation, Nature are designed to meet the growing demand for eco-friendly packaging without compromising on functionality or quality.

Key advantages of Nature for case ready.

PURE VIRGIN MATERIALS
PFAS free.

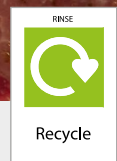

PLASTIC REDUCTION
Over 90% renewable virgin fiber materials from sustainably managed EU forests.

RECYCLABILITY
Recyclability in paper streams according to CEPI lab standards, following the 4EverGreen Evaluation Protocol.

PREMIUM QUALITY

- ✓ Accurate design.
- ✓ High barrier.
- ✓ Rigid yet lightweight.
- ✓ Delicate tactile paper feeling.
- ✓ Light natural dye free colour.

SAFE FUNCTIONALITY

PREMIUM SEALING FEATURES

Strong, stable structure with a perfectly flat flange and premium barrier lining.

MAXIMIZED SHELF LIFE Up to 30+ days, enabled by advanced lining materials.

SEAMLESS INTEGRATION

Into automated production systems and supply chains.

FLEXIBILITY

Ideal for Modified Atmosphere Packaging (MAP) and Vacuum Sealed Packaging (VSP).

Can be personalized – check branding options with us depending on applications.

Resistant to chilled and frozen chain.

Recommended for yoghurt, cheese, fresh or processed meat, ready meals, frozen foods, snacks, salad and fruit.
