Stockholm, 8 February 2012

Rottneros increases CTMP price by 30 Euro/tonne

Rottneros Mill is increasing its sales price for all CTMP grades by 30 Euro/tonne for all deliveries as of 1 March 2012. The increased sales price for CTMP is a result of good demand, particularly in Asia, and this has encouraged Rottneros to increase its prices in Europe as well. In addition to the good demand for CTMP, there has been a considerable reduction in global stock levels of Eucalyptus Kraft and prices have improved since December 2011, which also supports the decision to increase the price for CTMP grades.
