Rottneros' Annual Report 2020 published

Rottneros' Annual Report for 2020 is now available on the company's website.

Lennart Eberleh, President and CEO, Rottneros, writes in the CEO's comment:

“2020 was an eventful year characterised by the tumultuous consequences of the coronavirus pandemic. Meanwhile, Rottneros continued down the well-beaten path with higher production and increased deliveries, both of which reached record levels. However, the exceptionally weak global economy put pressure on earnings. Looking forward, we will continue with the development of Rottneros' strategic position as a leading niche player in the global pulp industry.”

Shareholders and other interested parties who wish to have printed copies of the Annual Report may order it by email info@rottneros.com no later than 12 April. Distribution of the printed annual report is expected to take place from 19 April 2021.
